

June 7th 2020

Dear New Life Ministries Family,

We pray Psalm 27 over you: *The Lord is my light and my salvation; whom shall I fear? The Lord is the strength of my life; of whom shall I be afraid?*

As your Pastors we wanted to assure you that we are committed to you and your family's safety during this time.

We miss you and your presence for praise/worship service and Bible study each week. We are excited to welcome you back to the house of worship. Our plans are prayerfully to open our doors on June 14, 2020 @9am for prayer and 10am for our regular service. We will do it in a manner that will keep our families physically, emotionally and spiritually healthy.

We will be cleaning and sanitizing the church before reopening. Hand sanitizer sprays will be placed in common areas. We will be practicing physical distancing in all spaces and requiring mask in places in question. Hand sanitizer dispensers will be put up in church. Hand shaking and physical contact should be limited. Fist bumps, elbow touching and feet tapping are great ways to greet each other. Along with using common sense and following the recommendations of government and health officials, we will continue to do what we have always done: pray and trust God to help us make wise decisions that will protect NLM community and keep everyone safe.

We will hold all services in the sanctuary – with distance between all – except families can sit together.

We do ask if you are sick with fever and may be recovering from sickness, please use wisdom before coming back to service in order to not compromise others. Services will continue to be available on our website. Please know that our prayers are with you and we believe we are going to see God work in amazing ways in the days ahead!

Keep Rejoicing! Rejoice in the Lord and again I say Rejoice. For we know that all things work together for good to those who Love the Lord and are called according to His purpose.

Blessings

Pastors Edward and Alfredia Lee
